Kiwanis Members,

Whew!

That was a fantastic pancake breakfast! Please take your right arm, put it in the air, reach over to your left shoulder and pat yourself on the back for a job well done.

The weather was perfect, maybe too perfect for the sausage cookers. The crowds moved nicely and I was most impressed with all the help we received from our newest members, spouses of members and especially the effort we received from the youth that volunteered. It was a real team effort and our community responded with great numbers. Thanks to each of you for your part in serving so well.

My special thanks to Dennis Wilson and George Rinker for going above and beyond to make sure things went smoothly. I heard comment after comment about how beautiful the morning was, how excellent the food was and how nice it is to have this tradition in our community. I saw a 6 year old boy celebrate his birthday with candles on his (pan) cake and family after family came through the lines together to celebrate this annual tradition. From the ticket takers to the coffee servers to the table busing and the second servers, it was all done with excellence. I believe that we represented Kiwanis well in our efforts to serve our friends in our community and that effort mirrors our desire to serve the children of the world. Thanks to you all.

As we wrap up a busy May, we have to start looking forward again. Sports day is coming up and Golf league is in full swing. Summer time is just around the corner. What could be next??

Skydiving anyone??

Thanks for caring for others,

Craig
